MEMORANDUM FOR: Deputy Director of Central Intelligence
FROM: Director of Central Intelligence
SUBJECT: Unauthorized Disclosures

Will you take a look at the attached memorandums. I think we should start talking seriously about what we should do about leaks, particularly with the new NSC regime. I think we should get someone to talk to de Graffenreid, David Major, and perhaps with Abe Sofaer, and get ready to make a real push when Carlucci is here shortly after the New Year.
